

Little Miami Local Schools
7247 Zoar Road
Maineville OH 45039
May/June 2016

A message from Superintendent Greg Power:

We are proud of the Class of 2016! On May 22, we celebrated the conclusion of their journey with Little Miami and the commencement of the next chapter in their lives. We send with them our best wishes for prosperity and success and the hope that they will fondly remember their time at Little Miami.

Bond refinancing saves \$4.2 million

Little Miami will save several million dollars of taxpayer money when it refinances two bonds in the coming months.

Treasurer Terry Gonda and the Board of Education are taking advantage of lower rates on two general obligation bonds. When districts have large projects that they are not able to pay for in one lump sum, they use a bond to finance the project and pay on that debt for many years.

In 2006, Little Miami voters approved a \$62.5 million, 28-year tax issue for construction of the current junior high school, intermediate school, the addition to the high school, and renovations to the other buildings.

Refinancing to a lower bond rate will save taxpayers a projected \$4.2 million over the life of the debt.
