

SOCIAL MEDIA/PHOTO GUIDANCE

2023-2024

CHECK PHOTO RELEASES!

Be sure every child in every photo is not on your school's Do Not Publish List. This applies to artwork/handwriting pictures as well!

SHARING PICTURES

Before sharing be sure every child in every photo is allowed to be photographed.

DO NOT post school photos on personal accounts.

Consider using ClassDojo, Schoology or private Facebook class groups.

GIVE IT A SECOND GLANCE

What are students doing? Are all hand gestures, and clothing items appropriate? Check before posting or sharing.

If you have any doubts about if a photo is appropriate, DO NOT POST.

BE MINDFUL

Use good judgment in your posts and the language/caption you use to explain the picture. Be sure it is appropriate and represents the activity & student in a respectful and accurate tone.

Substitutes & volunteers may only post photos of their child.

Please send photos to bunderwood@lmsdoh.org or 513-502-0504
