

Little Miami Local Schools
 7247 Zoar Road
 Maineville OH 45039
 January 2017

A message from Superintendent Greg Power:

As we have moved through our master planning process, we are grateful to have heard from more than 1,000 residents either on surveys or at our community meetings. Our consultants have proposed several possible options for handling our growth and now, more than ever, we need your input.

Join the conversation!

Consultants from Emersion DESIGN/Fanning Howey will lead two community focus groups to collect input regarding the future of our facilities. Your input is vital!

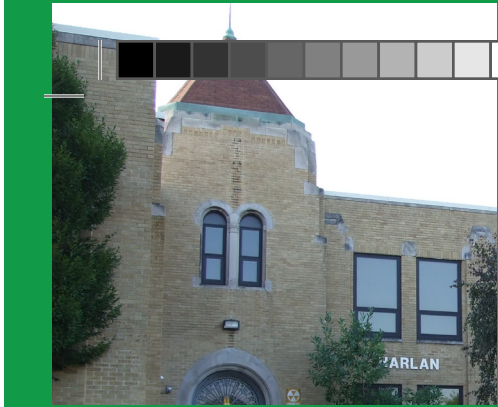

All meetings are open to the public!
