Little Miami High School recommended for accreditation by AdvancED

In February, an external review team recommended that LMHS earn the distinction of accreditation by AdvancED for a five-year term.

The external review team commended the administration and staff of LMHS for:

- ◆ A strong culture of support for students, where each student feels comfortable in approaching an adult in the building with concerns
- ◆ An exemplary music program
- ◆ A formalized and consistent supervision and evaluation process
- ◆ Exceptional use of the resources available, especially during the fiscal crisis

The team recommended the district and high school:

- ◆ Continue to provide updated resources to students
- ◆ Reduce student-teacher ratios
- ◆ Improve student access to technology

Congratulations...
