## WELCOME BACK!

*Our buses are rolling and our schools are open for the 2018-2019 school year!*

- This year we opened our doors to 5,033 students, the most in Little Miami history! That includes 324 new kindergarten students and 39 students who registered AFTER the first day of school.
- 30 new teachers were hired for this year, filling the spots of retirees or leading new classes due to our growth.
- 75% of our students ride Little Miami buses. Our buses travel 53 routes and more than 6,000 miles a day. That's about 1 million miles per year.
