Learn to Code This Summer

Code Ninjas partnership with Mason City Schools Student Activities Held at Mason High School 6100 Mason-Montgomery Rd Mason, OH 45040

June 5-9 and July 10-14

AM

MODDING WITH MINECRAFT® — Ages 7+

Attention advanced Minecraft® players! Learn how to make your own mods with custom textures, weapons, armor, enemies, and more.

NEW CAMP!
**ADVENTURES IN GAME DESIGN** — Ages 7+

Instead of just playing games, how would you like to code your own? Using Scratch, learn how to build games using the characters you love and the coding skills you will gain throughout the camp! You even get to choose your own themes & worlds.

ROBOTICS WITH LEGO® — Ages 7+

LEGO® builders, come explore the LEGO® SPIKE™ Prime robotics kit as you learn how to build and code your own silly dancing robot, a working safe, charging rhino, and more!

PM

INTRO TO ROBLOX DEVELOPMENT — Ages 7+

If you love Roblox and want to get started with building your own games, this camp is for you! You will learn the basics of game building in your own 3D Roblox worlds. No experience required.

BECOME A YOUTUBER — Ages 8+

Let's create a YouTube Channel! Join us to develop your YouTuber skills and work in a team in order to create and customize a shared YouTube channel complete with unique channel art, video thumbnails, uploads, and more!

NEW CAMP!
CODE YOUR OWN ROBOT IN MINECRAFT® — Ages 8+

Minecraft masters! Learn how to use code to control a virtual robot in Minecraft and to complete all the boring tasks for you! Teach your robots to dig, farm, build, and more!

June 12-16 and July 17-21

AM

MOVIEMAKING WITH MINECRAFT® — Ages 8+

Take your Creative Mode skills to a new level as you shift your imagination into high gear. Learn how to build epic scenes, tell stories, and record videos in your own Minecraft® world.

NEW CAMP!
CODE YOUR OWN ARCADE — Ages 7+

If you love retro games, then this camp is for you! Enhance your programming by remaking classic games & bringing them to life on your own handheld device to share with friends!

NEW CAMP!
OPERATION: CODE BREAKERS — Ages 10+

Learn the art of creating and solving coded messages and combine it with the power of computer science to create secret messages. Ninjas will create their very own escape rooms by the end of the week!

PM

NEXT LEVEL ROBLOX DEVELOPMENT — Ages 10+

Spark your imagination and explore game concepts by digging deeper into the game making side of Roblox, including writing scripts in the Lua – the programming language of Roblox!

NEW CAMP!
CREATE & COMPETE — Ages 7+

Makey Makey extends beyond the screen & brings coding concepts to life in exciting new ways. Ninjas will use a Makey Makey circuit board in a week full of fun and movement!

NEW CAMP!
INVENTORS WITH MAKEY MAKEY — Ages 7+

Let's invent something awesome! During this camp, you will combine the power of codding, electronics, and hardware to create your own interactive game controllers & projects. This is the camp to bring your creativity to life!
