### A message from Superintendent Greg Power

*For the sixth year in a row, Little Miami has experienced unprecedented growth in student enrollment. While we are thrilled to welcome so many new faces to our classrooms, our increasing numbers have made our master facility plan critical for dealing with this growth. Please join us Aug. 30 for an update from our planning consultants.*

## Join us for a Master Plan update

*After more than a year of public meetings, focus groups and community surveys, consultants from Emersion DESIGN/Fanning Howey will provide an update to the community regarding Little Miami's master facility plan.*

*This will include information about projects proposed as part of the 3.7 mill bond issue that will appear on the November ballot.*

**Aug. 30** 7 p.m.  
Little Miami High School Auditorium

**The meeting is open to the public!**

# WELCOME BACK!

Our buses are rolling and our schools are open for the 2017-2018 school year!

# THE GROWTH CONTINUES . . .

- On Aug. 10, we opened our doors to more than 4,800 students, the most in Little Miami history! That includes 344 new kindergarten students and 59 students who registered AFTER the first day of school.
- For the second year in a row, 25 new teachers have been hired for this year, filling the spots of retirees or leading new classes due to our growth.
- 75% of our students ride Little Miami buses. Our buses travel 52 routes and more than 5,000 miles a day.
