LITTLEMIAMISCHOOLS.COM - "CALENDARS" TAB -2022-2023 DRAFT CALENDARS

Thank you First Responders!

Safety Week 2021 was a great success! Buildings completed their state-required safety exercises allowing staff and students to practice what to do if an emergency were to happen at school. Local first responders also joined the safety effort, stopping by each building to spend time with LM students.

- "Reading with Responders" brought first responders from Hamilton Township Police and Salem-Morrow Fire into LMECC to read some of our students' favorite books.
- Warren County Emergency Management Agency visited LMPS to discuss what to do during an emergency, such as a house fire, and how to prepare for disasters, like a tornado!
- LMES students were impressed by a fire technology & tool demonstration from Salem-Morrow Fire Department! A lucky few teachers even got to try on 45 pounds worth of fire bunker gear.
- A breakfast panel was hosted at LMMS on Tuesday, allowing students to spend time with first responders and ask questions about their service. On Thursday, Warren County SWAT also stopped by LMMS to do a tactical vehicle demonstration!
- Student Resource Officer, Jordan Elzey, teamed up with LMHS Digital Media Arts II Students to discuss why he chose to become an SRO & why he loves his job so much! First Responders will also be honored during half time of the December 10th Men's Basketball Game!

Thank you to all of our local first responders, active and retired, for their service to our community!

Unable to Reach LM Staff via Email?

If you have sent emails to your student's teacher or other LM staff member and have not received a response, there is a great likelihood that your email may have gone to that staff member's "Junk" folder. The Office 365 email system utilized by LM has become more strict in identifying "Junk" emails, unfortunately leading to non-junk emails ending up in the wrong inbox folder.

Staff have been informed to check & review their Junk folders for any parent emails. We apologize for this inconvenience & are working to find solutions to close any potential communication gaps.

Imagination Library - ENROLL TODAY

DID YOU KNOW? By the age of three, a child's brain is already 80% developed, and, by the time a child enters kindergarten, they must already know thousands of words in order to succeed in the classroom. Reading aloud to a child and giving them access to books is the best way to ensure they are prepared to enter kindergarten.

The Ohio Governor's Imagination Library wants to start a new chapter in early childhood literacy throughout Ohio by providing families with books. With the goal of preparing students entering Kindergarten for success in the classroom, the Imagination Library program will send a customized book to your child each month from birth until age five.
