December 6-10 is Safety Week at Little Miami

Little Miami Local Schools will be engaging in a "Safety Week" next week, December 6-10, to **conduct state-required emergency exercises to ensure students & staff are aware of and prepared for how to respond in case of an emergency at school.** Little Miami is coordinating with public safety agencies from Hamilton Township, Morrow, and Salem Township to conduct these exercises, so please be aware that **you will likely see multiple public safety vehicles and personnel on our campuses next week.**

Students at each building will reviewing and engaging in lockdown and/or evacuation procedures and will have the opportunity to discuss additional emergency scenarios with their teachers. To encourage positive safety learning experiences during this week, Little Miami has invited local public safety agencies, including police, fire, and Warren County Emergency Management to discuss emergency preparedness and spend time interacting with our students. The goal of the 2021 Safety Week is not only to ensure staff & students are aware of safety procedures at school, but also for students to build relationships with public safety personnel that will hopefully be remembered for years to come!

Unable to Reach LM Staff via Email?

If you have sent emails to your student's teacher or other LM staff member and have not received a response, there is a great likelihood that your email may have gone to that staff member's "Junk" folder. The Office 365 email system utilized by LM has become more strict in identifying "Junk" emails, unfortunately leading to non-junk emails ending up in the wrong inbox folder.

Staff have been informed to check & review their Junk folders for any parent emails. We apologize for this inconvenience & are working to find solutions to close any potential communication gaps.

By the age of three, a child's brain is already 80% developed, and, by the time a child enters kindergarten, they must already know thousands of words in order to succeed in the classroom. The Ohio Governor's Imagination Library wants to start a new chapter in early childhood literacy throughout Ohio by providing families with books. With the goal of preparing students entering Kindergarten for success in the classroom, the Imagination Library program will send a customized book to your child each month from birth until age five.
