

We've reached the end of Week 2! We miss our students!

Remote learning – Is this for a grade?

Little Miami used the first week of school closure to develop optional remote learning opportunities. Beginning this past Monday, teachers began communicating these opportunities through Schoology, email or other means.

This week and next are an adjustment period. Students will be reviewing concepts already covered, while teachers test this new remote-learning framework. Should the school closure extend past the April 6 date, the district will revisit this approach and families will receive additional information.

These remote learning activities are suggestions to help your student review the skills they have already been taught this year, and they will not be graded. We understand that each family has its own schedule, and time and resources can be limited. Do what fits best for your family.

Watch [Superintendent Greg Power's video](#) about this and other subjects.

Technology Support

- If your family does not have access to the Internet, Spectrum is currently offering free 60 days of wi-fi for families with students in grades K-12. To receive this, contact Spectrum at 1-844-488-8395.
- For families who have internet access but do not have a device, please call the Little Miami tech hotline at (513) 899-5177 to arrange for a loaner device (one per family).
- Students in grades 7-12 who are experiencing problems with their district-provided device are encouraged to submit a [Student Device Repair Intake Form](#) to start the repair process.

What about LM's regular spring break?

Unless the Ohio governor's office or state legislature indicates otherwise, there will be no school during Little Miami's regularly scheduled spring break. The days off are Friday, April 10, and April 13-17.

Food services for families in need

Don't forget that Little Miami Food Services is serving grab-and-go meals daily to any student.

- Where: Salem Elementary School, 605 Welch Road, Morrow, at the car rider drop off spot at rear of building ([View map](#))
- Time: 11 a.m.– 1 p.m. daily

Other meal programs

Joshua's Place and the Panther Backpack program will continue their food pick-up for

families in need on each Tuesday evening, 4-7 p.m. at the old Fellowship Baptist Church building at the corner of US 22-3 and West Road in Maineville. Should families need further assistance, contact feedpanthers@lmsdoh.org or call (513) 899-5166.

View 3Q report cards online

Since the school closure occurred before third quarter report cards could be sent home, please view your student's report card in ProgressBook. Log-in here: <https://parentaccess.swoca.net/district>

Info posted for LMHS juniors and parents

Thursday, March 26 was originally scheduled be Junior Parent Info night, an event designed to share key information for students getting ready to head into their senior year. Since the event could not be held, LMHS counselors have made [all of the info available online](#). You'll find a senior timeline, college testing info and material for student-athletes looking to play at the college level.

Update: Primary election changes

Ohio's primary election day was March 17, but voters who did not get a chance to get to the polls because of the coronavirus outbreak may still cast their ballot. The Ohio General Assembly approved a plan Wednesday to eliminate most in-person voting for the primary and to extend absentee voting until April 28, not the June 2 date proposed at one time by Gov. Mike DeWine.

If you have not already cast your ballot, you must now request an absentee ballot and mail it back in. [You may request a ballot here](#), print the request and mail it to the Warren County Board of Elections. If you do not have a printer, you may call the Board of Elections (513) 695-1358 and request an absentee ballot be mailed to you.

Little Miami has Issue 10 on the ballot, a substitute continuous operating levy that means no new taxes for residents.
