Join Us For a New Family Welcome on August 19!

New to Little Miami? Join us at Little Miami High School (3001 E US 22&3) on Thursday, August 19th for a New Family Welcome event where you will have the opportunity to hear from & meet Little Miami administrators, get district information, and even have the chance to tour your student's building! Doors will open at 5 PM, with a brief program led by Superintendent Greg Power to begin at 5:45 PM.

Information tables regarding transportation, food services, and your student's building will be set up in the LMHS cafeteria prior to the program. At the conclusion of the program, families will be dismissed to visit their student's building, in order to familiarize themselves with the layout prior to the First Day. While teachers will not be in the classrooms to meet students prior to Open House, this event is a great opportunity for students to get acquainted with their new buildings.

The New Family Welcome is a Panther family-favorite event and we are delighted to bring it back to the district this year! No registration necessary in order to attend. We can't wait to see you there!

Welcome Winston! LMES Gets Therapy Dog

The staff at Little Miami Elementary School is getting a little cuddler this year! LMES Counselor Dawn Gasper will be teaming up with her furry new colleague, Winston, to support the emotional well-being of Little Miami students in a unique way. Winston, a six-month old Aussie Doodle, has been given the important job of helping to deescalate students' emotions if they become upset, anxious, or scared during the school day.

New Fee Payment Platform for '21-'22 School Year

As we gear up for the start of a new school year, changes & improvements are being made for your family's convenience. This year, Little Miami Schools will be migrating from the EZPay payment processing system to **PavSchools Central** as the method to load school lunch accounts and pay fees.

Little Miami will move to the PaySchools Central system on August 2nd, turning off access to EZPay on August 1st. No action needs to be taken in order to shut down your family's EZPay account or to transfer remaining funds from EZPay to PaySchools. To create a PaySchools Central account, visit: www.payschoolscentral.com.

With PaySchools, you are able to manage your student's accounts & fees in one platform, even allowing you to set up an auto-replenish option to automatically refill lunch accounts when they are running low.
