

Updated LMPR Car Rider Procedures 2023-24:

*Updated 7/24/23

ARRIVAL: Enter from Zoar road only. Please note for arrival drop off we will use double lanes in the unloading zone. **DO NOT allow your child out of your car, until you are motioned by staff.** This is for your child and other children's safety.

DISMISSAL: Enter from Zoar road only. We will only load a single lane at a time. Please do not double pull/park for dismissal. Again, this is for your child and other children's safety.

Even if the parking lot is not full, please follow the red arrow traffic pattern. If you are parked outside of the red arrows, we will have to move you prior to starting arrival/dismissal, likely causing you to wait in a longer line. If you enter from Stephens road, you will miss the check in area for your child and they will not be prepared to be loaded. Following the traffic pattern is essential for smooth drop off and pick up. Thank you for your help with this.

FOR EMERGENCY VEHICLES: In case of an emergency during arrival/dismissal (including cars lining up and waiting) we would need to **clear cars from the following path.**

Arrival Times: 8:50-9:00 *cars line up around 8 am

Dismissal Times: 3:35-3:45 *cars line up around 2:30
