LMHS Choirs and Symphonic Band Have Impressive Showing!

Congratulations to the LMHS Select Choirs and Symphonic Band who had a successful weekend at the District 13 Band and Choir Competitions!

Both LMHS Select Choirs and the Symphonic Band qualified for the State Competition with their impressive efforts and great display of hard work. With the competition cancellations over the past few years, many LM students have not had the opportunity to compete at this level- with the last appearance occurring back in spring 2019!

Congratulations to our entire LM Music Program, we are so proud of your hard work and talents!

Fourth grade students worked hard in STEM class this week building traps to catch a sneaky Leprechaun! Although they did not catch him, he left clovers and coins for the students to enjoy. Happy St. Patrick's Day!

Unable to Reach LM Staff via Email?

If you have sent emails to your student's teacher or other LM staff member and have not received a response, there is a great likelihood that your email may have gone to that staff member's "Junk" folder. The Office 365 email system utilized by LM has become more strict in identifying "Junk" emails, unfortunately leading to non-junk emails ending up in the wrong inbox folder.

Staff have been informed to check & review their Junk folders for any parent emails. We apologize for this inconvenience & are working to find solutions to close any potential communication gaps.

By the age of three, a child's brain is already 80% developed, and, by the time a child enters kindergarten, they must already know thousands of words in order to succeed in the classroom. The Ohio Governor's Imagination Library wants to start a new chapter in early childhood literacy throughout Ohio by providing families with books. With the goal of preparing students entering Kindergarten for success in the classroom, the Imagination Library program will send a customized book to your child each month from birth until age five.
