2022 Senior Walk

Local Summer Meal Opportunity

Important Food Services Info for Next School Year

For the past two years, the United States Department of Agriculture (USDA) has offered waivers to Child Nutrition (CN) Programs across the United States, allowing these programs to offer all students breakfast and lunch, at no charge. These waivers will expire on the last day of school or June 30, 2022, whichever comes first. This means that starting next school year, 2022-2023, **CN programs across the nation will return to normal, pre-pandemic operations.** Families will once again be asked to complete and submit a current school year Free/Reduced Meal Application to learn if their students qualify.

Imagination Library - ENROLL TODAY

DID YOU KNOW? By the age of three, a child's brain is already 80% developed, and, by the time a child enters kindergarten, they must already know thousands of words in order to succeed in the classroom. Reading aloud to a child and giving them access to books is the best way to ensure they are prepared to enter kindergarten.

The Ohio Governor's Imagination Library wants to start a new chapter in early childhood literacy throughout Ohio by providing families with books. With the goal of preparing students entering Kindergarten for success in the classroom, the Imagination Library program will send a customized book to your child each month from birth until age five. Sign up is easy and FREE! Give your Panther the gift of reading & [enroll today](#).
