Dear Parent/Guardian:

You have the right to know about the teaching qualifications of your child’s classroom teacher in all Little Miami schools including school buildings receiving Title I funds.

- Am. Sub. S.B. 216 requires at the start of each school year, each school district shall notify the parent or guardian of each student enrolled in the district that the parent or guardian may request information on the professional qualifications of each classroom teacher who provides instruction to the student. The district shall provide the information on each applicable teacher in a timely manner to any parent or guardian who requests it. Such information shall include at least the following:
 - I. Whether the teacher has satisfied all requirements for certification or licensure under this chapter applicable to the subject areas and grade levels in which the teacher provides instruction and the students to whom the teacher provides the instruction, or whether the teacher provides instruction under a waiver of any such requirements;
 - II. Whether a paraprofessional provides any services to the student and, if so, the qualifications of the paraprofessional.

- The federal Every Student Succeeds Act (ESSA) requires that any school district receiving Title I funds must notify parents of each student attending any school receiving Title I funds that they may request, and the district will provide the parents on request (and in a timely manner), information regarding the professional qualifications of the student’s classroom teachers, including at a minimum, the following:
 - I. Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - II. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
 - III. Whether the teacher is teaching in the field of discipline of the certification of the teacher
 - IV. Whether your child is provided services by paraprofessionals and, if so, their qualifications.
