Did You Get the Message?

On Wednesday, October 20th, at approximately 10 AM, Little Miami Schools conducted a test of the district notification system using phone calls, text messages, and email. Did you receive it?

If you did not receive a text, email, and phone call, we would like to help! Here's what to know before you send an email for support:

1. Have you updated your contact information in the Update Portal? This needs to be done EVERY year! Check here to update: <https://update.littlemiamischools.com>
2. If you have updated your info this school year & did not get a test message, below are some easy & quick solutions.

Didn't receive the text message? – Text YES to 67587 in order to opt-in.

Didn't receive the email? – FIRST check your Spam/Junk folder! If you do not see an email from LM Communications, send an email to communications@lmsdoh.org with your name, student, & preferred email address.

If you did not receive a phone call with this information & would like to receive phone alerts from LM in the future, please send an email to communications@lmsdoh.org.

Thank you for participating in this year's test notification message!

Imagination Library - ENROLL TODAY

DID YOU KNOW? By the age of three, a child's brain is already 80% developed, and, by the time a child enters kindergarten, they must already know thousands of words in order to succeed in the classroom. Reading aloud to a child and giving them access to books is the best way to ensure they are prepared to enter kindergarten.

The Ohio Governor's Imagination Library wants to start a new chapter in early childhood literacy throughout Ohio by providing families with books. With the goal of preparing students entering Kindergarten for success in the classroom, the Imagination Library program will send a customized book to your child each month from birth until age five. Sign up is easy and FREE! Give your Panther the gift of reading & [enroll today](#).
