About Sandy Hook Promise

Sandy Hook Promise (SHP) is a non-partisan national nonprofit organization. SHP delivers, at no cost, four Know the Signs programs and practices that teach youth and adults to recognize signs and signals of individuals who may be at-risk of hurting themselves or others and intervene to get them help before it is too late. SHP's Know The Signs programs have helped stop multiple school shootings, suicides and gun threats, reduced bullying and victimization, and helped hundreds of youth to receive mental health and wellness assistance.
