

2nd Semester Platform Change

Dear Little Miami Families

As indicated prior to the start of school, LM students have the option of changing learning platforms (VLA or in-person) at semester break. Students who are satisfied with their current learning platform need to do nothing to remain in that platform. Students who wish to change platforms need to complete the below form and submit it to Little Miami Central Office prior to October 23, 2020. Due to fees being specific to the platform, when changing platforms the appropriate fee will be assessed. If changing to VLA, please bring your \$50 enrollment fee when submitting the form. Timing is essential due to the JH/HS master schedules and K-6 classes that need to be created.

Parents of students who move from in-person to the VLA learning platform will need to attend a 30 minute VLA orientation prior to October 23. Zoom meetings are scheduled for 10/13 and 10/22 - the IDs and passwords were sent via email.

By submitting this form, you are agreeing to the indicated learning platform for the entire 2020-2021 second semester.

Semester Learning Platform Change Forms
