Unable to Reach LM Staff via Email?

If you have sent emails to your student's teacher or other LM staff member and have not received a response, there is a great likelihood that your email may have gone to that staff member's "Junk" folder. The Office 365 email system utilized by LM has become more strict in identifying "Junk" emails, unfortunately leading to non-junk emails ending up in the wrong inbox folder.

Staff have been informed to check & review their Junk folders for any parent emails. We apologize for this inconvenience & are working to find solutions to close any potential communication gaps.

Imagination Library - ENROLL TODAY

DID YOU KNOW? By the age of three, a child's brain is already 80% developed, and, by the time a child enters kindergarten, they must already know thousands of words in order to succeed in the classroom. Reading aloud to a child and giving them access to books is the best way to ensure they are prepared to enter kindergarten.

The Ohio Governor's Imagination Library wants to start a new chapter in early childhood literacy throughout Ohio by providing families with books. With the goal of preparing students entering Kindergarten for success in the classroom, the Imagination Library program will send a customized book to your child each month from birth until age five. Sign up is easy and FREE! Give your Panther the gift of reading & [enroll today](#).
