Welcome Back

The entire Harlan-Butlerville staff would like to welcome you back to another great year at Little Miami Schools! We had a wonderful start to the new school year.

We are pleased to welcome some new staff members this year. Mrs. Morgan Thompson will be in first grade. Mrs. Angie Acito and Mrs. Iram Baig are new Intervention Specialists. We are excited to have them on our team.

Our goal is to provide your children with a warm, nurturing, and challenging elementary experience. My door is always open and I welcome your questions, concerns and feedback. We are all looking forward to a great year!

We are excited to have a new communication tool this year. Schoology is a learning management system being used by the upper grades for blended learning and course work. At the primary level, Schoology will offer access to our building and classroom calendars, communications from teachers as well as from the building. Please take a few minutes to connect with your child's teacher using the access code provided in the letter sent home. If you do not have the letter, please contact Gayle Scott, our school secretary for another copy.

Update Little Miami

Last year Little Miami began using a new online registration system, Registration Gateway. Using a secure online portal, we are asking our parent community to update key attributes regarding their student, which includes **contact and emergency medical information**. We are also requiring online acknowledgment of our district policies and handbooks. This will streamline our procedure and eliminate the manual entry of this data for quality assurance.

Using the secure portal listed below, along with your 6 digit ID as your username and password, follow the simple online instructions to complete the process.

Web address: <https://update.littlemiamischools.com>

If you need another copy of your 6 digit ID, please call our school secretary, Gayle Scott at 899-5200.
