Nurse's Notes – Blaire Shamoun

With cold and flu season upon us, please keep the following guidelines in mind when deciding whether or not to send your child to school. This will help to control the spread of infectious diseases at school and allow your child to be available for learning.

Students should remain home for the following reasons:

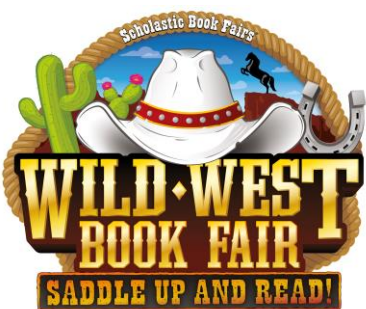

- For a temperature greater than 100 degrees. Children should be fever free for 24 hours before returning to school and not taking fever reducing medication to control symptoms.
- Children that have been vomiting or have had diarrhea must remain home until the vomiting or diarrhea has stopped for 24 hours.
- If diagnosed with a strep infection. Students need to be on an antibiotic for a minimum of 24 hours, fever free, and feeling well before returning to school. Children awaiting results from a throat culture must remain at home until a negative result is known.
- If your child has a heavy, moist productive cough, chest congestion, or discolored nasal drainage.
- Has red, inflamed eyes, persistent irritation, and or thick/discharged eye drainage. If your child has pink eye (conjunctivitis), they need to have completed 24 hours of medication, and have no visible redness or discharge before returning to school.

Please also do not send your child to school if your child:

Complains of a severe headache, stomachache or other severe pain

Has any skin rash unless it has been diagnosed by a physician as non-infectious

By staying home when they are sick, children are helping themselves recuperate and are helping their peers stay healthy. By working together, I believe we can reduce the spread of illness.

Thank you for a successful Book Fair! Students enjoyed choosing a book to buy and the fair earned over \$2,000 of scholastic dollars which will be used to purchase books for our guided reading program and classroom libraries!

Character Trait of the Month:

Service

For the month of November, I will be visiting your child's classroom to talk with them about our character trait of service. We will talk about what it means to help others, and what an impact they can have on their world with one small act of service to another person.

Please "like" the PTO Facebook page and stay up to date with upcoming events and information. Our page is Little Miami Butlerville PTO.

PTO Meetings will be held on the following Mondays at 7 PM: 9/11, 10/16, 11/13, 12/4, 1/8, 2/12, 3/19, 4/9, 5/14.

Veteran's Day 2017

Do you have a photo of a family member or friend in the military?

We would like to honor our veterans again this year. Students will be asked to share the name and hopefully a photo of someone they know who has served our country. Students will write a letter of thanks and appreciation as well.

We will also be collecting Halloween candy to ship out to our service men and women.

Fall Party Update

Many thanks to our wonderful PTO for a fabulous Fall party! Students loved the games, activities, and snacks!

Communication is key to the success of Little Miami Local Schools. The district uses several means of communication to share information and to engage the community in what's going on in our schools.
